

Publication & Indexing

There are two kinds of publishing methods, please do choose one of them and note your option, like "CA (Conference Article)" or "JA (Journal Article)" on your document title when submitting:

Option 1: Registered and presented papers which noted with "CA" will be included in the volume of **conference proceeding**, which will be submitted to **Engineering Village, Scopus, Thomson Reuters (WoS)** and other databases for review and indexing. *Conference proceeding will be online publishing.
